ASSOCIATION OF CHICAGO THEOLOGICAL SCHOOLS

The Association of Chicago Theological Schools (ACTS) was formed in 1984 by twelve theological schools located in the Chicago area to provide means for cooperation among the member institutions in the areas of student cross-registration, library access and acquisitions, interchange among faculty members in the disciplines of theological education, and communications between the schools. Prior to 1984, these schools had many years of successful ecumenical cooperation, primarily through the Chicago Cluster of Theological Schools, the Chicago Theological Institute, and the Library Council. In addition to ACTS, various agreements between two or more institutions further cooperation on the basis of geographic proximity or an interest in specific programs.

The eleven schools that currently make up ACTS are accredited members of the Association of Theological Schools in the United States and Canada. Each is affiliated with or sponsored by a denomination, a diocese, a religious organization, or several religious orders. Each offers professional degree programs for ministry at the master's and doctoral levels and most also offer other academic degrees. All offer a variety of opportunities for continuing education for clergy and lay leaders, as well as conferences, lectures and other programs of interest to a wider public.

Together, the schools within ACTS offer a rich network of resources for theological education, making the association one of the outstanding centers of theological education in the world. Available to the approximately 3,000 students currently enrolled at its member schools are 300 faculty, about 800 courses offered annually, and library collections of 1.7 million volumes and nearly 5,000 currently received periodical subscriptions. Several schools have well-stocked theological bookstores. Some schools offer online courses. ACTS makes it possible for students and faculty to pursue their work, study, and reflection with people from many different cultural and theological traditions.

ACTS itself does not offer either courses or degrees. Application for enrollment must be made to one of the member institutions. An essential tool for cross-registration purposes, this catalog also includes information on the many resources for theological education available to students enrolled in the member schools of ACTS. Many of the schools draw on the vast resources of other institutions of higher education and have relationships with the numerous religious organizations and agencies in the Chicago area.

The current chair of ACTS is Thomas Baima of University of St. Mary of the Lake. Michael Connors of Catholic Theological Union is treasurer. Inquiries regarding ACTS should be directed to Thomas Baima, University of St. Mary of the Lake, 1000 E. Maple, Mundelein, IL 60060-1174; phone: 847.566.6401.

ACTS Vision Statement

The Association of Chicago Theological Schools approaches its future with hope. We seek to develop a strong collaboration and urgency for the mission of ACTS. Our collaborative mission will manifest itself in many ways as we:

- Creatively serve new constituencies
- Invite new partners to join in the Association
- Support each other in ways that strengthen all member schools
- Provide public venues for the discussion of important issues
- Model dialogue and conversation as modes of theological inquiry and reflection
- Find new ways of deploying and utilizing faculty
- Learn to speak with a common voice
- Focus on major theological and institutional issues together
- Introduce programs and patterns to develop and form leaders and leadership
- Share new forms and modes of technology
- Work to develop collaborative curricula and academic life

We have entered this millennium with confidence and vision. We are assured of the necessity for the ACTS alliance and mission as an important strength for member institutions. We will pursue our service in the rich context of the Chicago metropolitan area with consequences that extend nationally and internationally. We proceed into the future with thanksgiving and a sense of the grace and guidance of God.

ACTS Mission Statement

The Association of Chicago Theological Schools is a collaborative effort by eleven theological schools in the Chicago metropolitan area whose aim is to enhance the educational activities at each of the schools through the sharing of resources and cooperative planning. Each of the ACTS schools shares a common purpose of preparing men and women for ministry. Recognizing that by cooperating together the ACTS schools can provide more than the sum of their individual efforts, the ACTS schools are committed to seeking ways in which their cooperation benefits schools individually and collectively. By cooperating in joint planning and the sharing of resources, the schools of ACTS are able to live out certain values that are commonly held:

- Good stewardship of assets
- Ecumenical witness in the Church and world
- Theological discussion across traditions

Through the Common Council comprised of the presidents and academic deans, ACTS supports a number of activities and joint ventures that are reflective of its values. These activities and joint ventures include:

- Coordinated library collection development and cooperation
- Cross-registration among schools
- Joint education programs
- Facilitation of collegial discussions among faculties

In addition to the cooperative preparation of men and women for ministry, ACTS seeks to encourage critical thinking about the major issues that currently challenge the Church and the world.

CLUSTERS, CENTERS AND COOPERATIVE ACTIVITIES

Northside Chicago Theological Institute

The Northside Chicago Theological Institute (NCTI) was organized in 1971 for educational and ecumenical purposes by five theological schools: G-ETS, NPTS, S-WTS, USML and TEDS.

The activities of the NCTI are under the direction of a board of directors whose officers are elected biennially. From its beginning the NCTI has emphasized the importance of student representation on its boards and committees. The NCTI sponsors two academic courses each year.

The NCTI Fall Seminar is "Global Theologies," which explores dimensions of theology opened by globalization. The weekend sessions are held on the campus of USML for a minimal fee. Credit hours are contingent on the school's term system. For information call the Rev. Thomas A. Baima at USML: 947-970-4866, or Richard Carlson at NPTS: 773.224.6227.

The spring seminar, "Prayer and Life in the Spirit," addresses various theological themes in Christian spirituality and practice and focuses on the diversity of ways in which Christians of many traditions understand prayer and life in the Spirit. In its present format, the seminar includes two overnight intensive retreat experiences on the USML campus. Registration is limited. Student participants pay a minimal fee. For information on the seminar, contact Professor Norma Sutton, coordinator, at NPTS: 773.244.6239.

Each member school of NCTI observes the Week of Prayer for Christian Unity through activities appropriate to its own tradition. Exchange of pulpit speakers has proven enriching for the schools.

The Hyde Park Cluster of Theological Schools

The five ACTS schools located in Hyde Park (CTU, CTS, LSTC, MTS, and ML) and the University of Chicago Divinity School identify themselves as the Hyde Park Cluster of Theological Schools. The cluster seeks ways to deepen academic cooperation and sharing beyond those made possible by the ACTS structure.

The purposes of the cluster are to (1) promote academic cooperation among the schools in Hyde Park; (2) foster dialogue and scholarship among its faculties through support of discipline groups and interdisciplinary colloquies; (3) develop support for academic programs through cooperative student services, recruitment and language programs; and (4) aid in communication and planning among the member institutions.

A committee consisting of the chief academic officers of the six schools administers the Hyde Park Cluster of Theological Schools. The chief executive officers of the cooperating institutions serve as an advisory board to the committee, especially in areas related to institutional planning.

ACTS Doctor of Ministry in Preaching Program

Seven ACTS seminaries jointly sponsor a program in preaching leading to a Doctor of Ministry degree. Faculty from LSTC, CTS, MTS, NBTS, NPTS, G-ETS, and S-WTS participate in teaching this program,

as well as renowned preachers and teachers from across the country. The program involves three annual summer residencies in Chicago, two projects in the participant's ministry site and a thesis project.

During each summer residency, participants take a core (required) course, an elective course relevant to the participant's learning goals, and participate in a colloquy. During colloquy, advisory groups consisting of peers working together to assess homiletical theology, develop group and individual learning goals and design a "Preaching Ministry project" which participants conduct independently at their ministry site between September and March following the first two residencies. After the third residency, participants develop a final project resulting in a thesis.

The program requires a separate ACTS D.Min in Preaching application available from the program coordinator. The application process is a two-step process. Participants first apply through one of the seven partnering schools and once admitted, are brought to a joint D.Min in Preaching Program Committee, where a final determination of candidates is made. Total enrollment each year is 32 participants.

Interested persons should contact Marcy Miller, Coordinator, ACTS D.Min. in Preaching Program, 5460 South University, Chicago, IL 60615; phone: 773.947.6270, mfmillier@mccormick.edu.

ACTS Travel Study Opportunities

Opportunities to travel and study outside Chicago are offered for course credit by several ACTS schools; please contact the school for specifics. Some courses are listed under Travel in the catalog. Students from CTU, LSTC, and MTS may contact the office of the Chicago Center for Global Ministries for details about programs and funding.

Center of Christian-Muslim Engagement for Peace and Justice

The Center of Christian-Muslim Engagement for Peace and Justice was established at LSTC in 2006 to foster and deepen relations between Christians and Muslims, and to make significant contributions to peace, mutual understanding, cooperation and respect among people of all faiths. LSTC offers a strong core of classes in Islam and Christian-Muslim relations, which, along with such courses offered by other ACTS schools, enables students to take a concentration in Christian-Muslim studies.

The Center sponsors workshops and conferences including an annual Sacred Scriptures Conference that has examined the ideas of others, human suffering, and love of God and neighbor. For information, contact CCME director, Dr. Michael Shelley at ccme@lstc.edu.

Chicago Center for Global Ministries

To meet the growing challenges to preparation for ministry posed by globalization trends today, CTS, LSTC and MTS established the Chicago Center for Global Ministries (CCGM) in 1993. The purpose of the center is to coordinate current resources and build upon those resources to meet the globalization challenge for ministry, especially in world mission, cross-cultural ministries, interreligious dialogue, urban ministries and issues of justice, peace and ecology.

CCGM serves as a focus point for these areas of ministry by coordinating course offerings, offering a forum for faculty discussion, and providing a locus for new research efforts in these areas of globalization. At a time when theological education is becoming more international and multicultural, and

the world manifests concern for particularity and greater possibilities for communication, the work of CCGM embraces these paradoxes and complexities as the location for training ministers for the 21st century.

For additional information, contact Dr. José Rodríguez, LSTC and Dr. Edmund Chia, CTU, associate directors, at the CCGM office at CTU; phone: 773.363.1342; fax: 773.363.1343; e-mail: cggministry@aol.com.

Hispanic Ministries Programs

Hispanic ministries programs offered by MTS and LSTC offer a concentration within the course of study of the regular M.Div. and M.A.T.S. degrees. The programs prepare Hispanics and other bilingual persons to serve effectively in Hispanic communities, and offer courses in all fields of the seminary curriculum and in the practice of ministry in local Hispanic settings. In addition to the instruction provided by their own faculties, MTS and LSTC invite outstanding Hispanic theologians and ministerial practitioners to their campuses to expand the available resources.

Hyde Park Language Program

Noncredit courses in French are available to graduate students (and others) in the Chicago area through the Hyde Park Language Program. Designed to help students develop the language skills necessary for academic research, these courses emphasize grammar and translation practice. Hundreds of university and seminary students have taken these courses in order to prepare for their graduate language examinations or otherwise to fulfill their graduate language requirements. Courses are taught throughout the four quarters of the academic year, and are generally held at the Lutheran School of Theology at Chicago, 1100 East 55th Street (at University Avenue) or on the University of Chicago campus. Moderate fees are charged. For further information, please see the Web page at www.hydeparklanguage.com or contact Celia Brickman, Ph.D., Director and French Instructor, phone: 773.536.5353, e-mail cbrickma@sbcglobal.net.

Multicultural Center

Committed to multicultural theological education and church leadership, LSTC and the Evangelical Lutheran Church in America created a Multicultural Center to recruit, learn from, and prepare candidates from under-represented ethnic groups in the ELCA for professional leadership in the church. Dr. José David Rodriguez is director. For information, please contact mc@lstc.edu.

The Stead Center for Ethics and Values

The Stead Center for Ethics and Values at Garrett-Evangelical offers seminars, lectures, and conferences for students, faculty, professionals, religious communities, and the public. Recent events have focused on stem cell research; war, peace, and terrorism; and theology, ecology, feminism, and forbidden knowledge.

ACTS faculty and students are invited to attend lectures of interest or to become involved as scholar-participants in any of the topics. For more information, contact the Stead Center for Ethics at 847.866.3915 or ethics.center@garrett.edu.

COOPERATING INSTITUTIONS

Zygon Center for Religion and Science

The Zygon Center (ZCRS) was established in 1988 as a program of LSTC and the Center for Advanced Study in Religion and Science (CASIRAS). “Zygon,” a Greek word meaning “yoke,” describes the goal of bringing together scientists, theologians and other scholars to research basic questions and issues of human concern. It was founded by Ralph Wendell Burhoe, professor emeritus at Meadville Lombard Theological School and recipient of the 1980 Templeton Award for Progress in Religion.

ZCRS is dedicated to relating religious traditions and scientific knowledge to gain insight into the origins, nature, and destiny of humans and their environment. The center publishes *Zygon: Journal of Religion and Science* as well as offering seminars, courses, conferences, symposia, and guided research. In cooperation with LSTC, ZCRS offer the Advanced Seminar in Religion and Science each year, usually in spring semester. ZCRS uses the resources of ACTS seminaries, the University of Chicago and Northwestern University. For information, contact the director, Dr. Lea Schweitz at zcrs@lstc.edu or 773.256.0670.

Seminary Consortium for Urban Pastoral Education

200 N. Michigan Avenue, Suite 502 President: David J. Frenchak
Chicago, IL 60601-5909
312-726-1200; fax: 312-726-0425
urbinmin@scupe.com

The Seminary Consortium for Urban Pastoral Education (SCUPE) provides specific programs of study in the area of urban pastoral education. SCUPE works cooperatively with Chicago- area churches and community agencies and is committed to the development of competent and creative leaders who both understand and can work with the realities of power, poverty, and pluralism found in cities.

For students interested in exploring urban ministry as a vocation, SCUPE provides an intensive spring-term program of urban pastoral education that is designed to fit into the core curriculum of a Master of Divinity degree. Through an integrated educational structure of curriculum, church/agency internship, and small-group process, SCUPE students live, work, and study in the city, developing both professional and personal skills. Representative courses include Urban Principalities and the Spirit of the City; Restoring Urban Communities (Church-based Community Development); Christology and Culture; Urban Issues; and Dimensions of Leadership for Urban Ministry. (For a complete listing of SCUPE courses, please go to www.scupe.com).

Students unable to undertake the full program may enroll in individual courses offered throughout the spring term. It is possible for students to extend the internship component of the program into the summer or take the summer internship as a freestanding program. Courses offered by SCUPE during the academic year appear with a SCUPE prefix in the course descriptions in this catalog.

Students from GETS and LSTC, SCUPE member schools, receive both academic and field education credit for the SCUPE program. Students from other ACTS schools are responsible to arrange details of accreditation and tuition payment through their seminary dean.

Nurturing the Call, a one-year certificate program offered in conjunction with certain member schools, uses the spring semester as an entrée to M.Div. work, particularly for working pastors.

The Center for African American Theological Studies is an initiative that is a collaboration between African American congregations, Chicago area Black seminary faculty, SCUPE and partnering seminaries such as Virginia Union University's Proctor School of Theology, which allows students to earn a Master of Divinity degree that has an Africentric focus.

Every two years SCUPE hosts the Congress on Urban Ministry, which brings together persons involved in urban ministry throughout the nation. A one-week intensive course is offered in conjunction with the congress.

SCUPE's Supervised Ministry Practicum focuses on personal formation for ministry by integrating work in the ministry setting with SCUPE's academic course load. Using a case study approach, it provides a forum for faith sharing, personal self-awareness of gifts and skills for ministry, theological reflection on experience, and peer group reflection on actual ministry in response to the Gospel. It is also the course vehicle for SCUPE's full-time summer internship field education/ministry credit. Credit varies by seminary.

For further information about SCUPE, contact Dody Finch, SCUPE Registrar, dody@scupe.com.

Spertus Institute of Jewish Studies

610 S. Michigan Avenue
Chicago, IL 60605

President: Howard A. Sulkin
Dean: Dean Bell
www.spertus.edu

Spertus College, the academic division of Spertus Institute, offers graduate degrees (master's and doctoral) in Jewish Studies and provides continuing adult education for the Chicago community at large. The college is the largest nonrabbinical training school for higher Jewish learning in the Midwest. Certain Spertus degrees may be earned through "distance learning."

Founded in 1924, the institute is comprised of Spertus College, the Asher Library, and Spertus Museum. The Asher Library and Spertus Museum hold major collections of Jewish art, ritual objects, books, journals, music videos and archives. These resources are available to faculty and students of ACTS schools. The college and library serve scholarly and casual learners, on-site and via distance learning, through programs, educational opportunities and cultural offerings that enhance understanding of the Jewish experience. A yearly schedule of public programs includes exhibitions, concerts, film, lectures, comedy and theater.

An agreement between Spertus College and the Chicago Cluster of Theological Schools was signed in 1978 to provide for library access and cross-registration of students. Various courses have been taught on ACTS campuses as well. Students at all ACTS schools may cross register for Spertus courses, but special considerations may apply. Because procedures for cross-registration, acceptance of courses for credit, and modes of payment may differ in individual schools, students are responsible to determine what particulars apply at their own schools. For further information about all Spertus courses and programs, contact the Office of Student Services; phone: 312.322.1769.

THE ACTS LIBRARY COUNCIL

The ACTS Library Council members' combined library collections comprise more than 1.7 million volumes of books, 5,000 currently received periodicals, electronic media and modern language laboratory facilities.

Circulation Policies. Students and faculty of the Library Council member schools have borrowing privileges at all of the libraries but must abide by the circulation policies of each library. These users may also request at their local library material from other member libraries that will be sent through the every weekday courier services of CARLI, the Consortium of Academic and Research Libraries in Illinois to which every ACTS library belongs. Most libraries levy fines for overdue, damaged and lost library materials.

In addition to the resources of their own libraries, all libraries in the Council have access to the Online Computer Library Center (OCLC), a national and international bibliographic database through which access to the collections of thousands of libraries and millions of volumes is made available. In addition, the United Library (G-ETS and S-WTS) is part of the Northwestern University Library computerized system, and the Catholic Theological Union Library is part of IO (Illinet Online), which gives access to over 800 libraries in the state of Illinois. All ACTS libraries have connections to the Internet and the World Wide Web.

Mission Statement. The ACTS Library Council recognizes both its responsibility to share the richness of its combined theological resources and the benefits of networking in the face of financial limitations. Therefore, the Library Council commits itself to collaborative collection development and to cooperative organization of and access to resources for theological education. To achieve this mission:

- The Library Council supports its member libraries in collecting resources to support constituent degree programs and scholarly research and to represent the religious traditions of the member schools.
- The Library Council by systematic planning identifies and coordinates the acquisition of resources in selecting religious traditions not represented by the member schools.
- The Library Council seeks ways to provide access to those materials not collected by the member libraries.
- The Library Council provides bibliographic access and delivery of materials among member libraries.

Goals. In order to carry out its mission, the ACTS Library Council has the following goals:

- Provide ready access for the academic communities of the member institutions to information about the resources for the theological education and research available in the ACTS libraries
- Provide access to these resources themselves through reciprocal borrowing agreements, interlibrary borrowing, and a courier service
- Insure the acquisition and maintenance of in-depth collections in the religious traditions represented by the member institutions
- Prevent unintentional duplication of materials among member libraries
- Support programs for the conservation and preservation of ACTS library collections
- Provide a greater range of resources through cooperative acquisition agreements
- Identify and maintain automated systems to support these programs for collection development and access
- Enable consultation among ACTS librarians and communication between the Library Council and the Common Council of ACTS.

How to Cross-Register

Students of any of the ACTS schools may take courses from any of the other member schools directly and with no added charges. Cross-registration into courses of the ACTS Urban Clinical Pastoral Education Program, SCUPE or Spertus Institute of Jewish Studies may involve different procedures and payment from each ACTS school; students are responsible to determine what particulars apply at their own schools.

Exceptions to the process of cross-registration exist (1) during the summer term when tuition is normally paid to the school offering the course; (2) for D.Min. courses other than Pastoral Care and Counseling and for those students in the ACTS D.Min. in Preaching Program; and (3) in certain courses with limited enrollment. Each school in ACTS reserves the right to limit enrollment in certain courses for pedagogical reasons and to set its own policies for the admission of students from other schools to such courses. A student who cross-registers is subject to the policy for incompletes at the school of primary registration.

Although every attempt is made to keep the course listings current on the Web, please consult the registrar of each school for changes, corrections and closed courses before registering.
